DOCUMENTATION FOR STUDENT TEACHING ASSIGNMENT
Single Subject Credential Program

This document will be distributed to the appropriate school administration when you do your student teaching assignments.

Important: MAC users, please use Adobe Acrobat Reader to complete and save this form. Please do not use the MAC preview tool as it may result in a document with blank fields. Thank you.

Name: _____

Red ID: _____

Telephone #: _____

Address: _____

City: _____ State: _____ Zip Code: _____

Single Subject Major: _____

2nd Major (if any): _____

Assignments to specific schools will be made by block faculty in consultation with public school administrators and/or teachers.

LISTING OF ALL MAJOR COURSEWORK: In the spaces provided below, list all of the coursework (lower division, upper division, graduate level) already completed in the subject area in which you plan to teach. Also list those in which you are currently enrolled and/or will be taking concurrently with your student teaching assignments. It is appropriate, although not required, to list your courses according to component categories, listing first those areas in which you believe you are most academically capable (i.e., for Social Science, grouping according to United States History, United States Government, World History, Economics, Geography). **Do not include any courses offered by the School of Teacher Education.**
