

Petition For Immediate Reinstatement After Disqualification

Students who have been disqualified may petition for immediate reinstatement if they have a reasonable plan for improving their grades, and there is strong support from the graduate advisor. Students who have been disqualified for more than one semester must reapply to the university (and file a different petition).

This petition should be completed by the student in conjunction with the Graduate Advisor, who must sign on page 2.

- B. GPA of 3.00 or greater for courses in the POS, including transfer courses (= "Total POS GPA").

- E. In addition to these university-wide requirements, some Master's programs also have a minimum GPA requirement for specific core courses taken by all students in the program (see the Graduate Bulletin).

Master's students are subject to academic disqualification when the Post-Baccalaureate Cumulative GPA falls below 3.00.
