1. Enroll in your program's 899 course and apply for graduation, according to the deadline above. Verify that your WebPortal “mailing” address for the diploma is correct.

2. After successfully defending your dissertation and obtaining committee approval, submit the dissertation packet through the **SDSU Doctoral Dissertation Submission Form**. See the deadline listed above.

3. Within five business days of submitting the form, Pat Walls <pwalls2@sdsu.edu> in Graduate Studies will evaluate your packet and transcripts, and then send the dissertation and associated documents to Montezuma Publishing. Pat Walls will email you with confirmation.

4. Monitor your emails over the next week for a request from Montezuma Publishing to pay the review fee. Respond promptly! Also respond promptly to all subsequent requests for editorial changes and the final publishing payment.

5. If you meet the Dissertation Publication deadline (see footnote b below), your graduation will be coordinated by Pat Walls after the official end of semester (= the diploma date).

6. Official SDSU transcripts showing that the degree was awarded can take up to 6 weeks after the diploma date. Your diploma will be mailed by an external vendor approximately 8-10 weeks after the diploma date. If verification of a pending degree is needed sooner, you may request an official Letter of Completion through the **Graduate Studies “Forms” web page**.

7. Email your doctoral program director (Dr. Marshall or Dr. Bracken) with questions, and cc: your program coordinator and Pat Walls <pwalls2@sdsu.edu>.

Applying for graduation

You must apply for graduation through your WebPortal account (**$100 graduation application fee**), even if not attending the commencement ceremony. If you do not graduate, your application will automatically re-evaluated each following semester. If you have missed the graduation application deadline, please contact Graduate Studies at gra@sdsu.edu or 619-594-5213.

Dissertation review fee

Submit the **$50 review fee** to Montezuma Publishing by this date. Additional fees are required if three or more reviews are needed by Montezuma Publishing.

Deadline definitions

a. Dissertation submission deadline: Students who submit their dissertation by this day before 3:45PM are likely to meet their publication requirements for the current semester if formatting guidelines were followed closely. **This is a strict deadline.** If you elect to hire a freelance formatter or Montezuma Publishing to format your dissertation, then the unformatted document must be submitted even earlier. Contact Montezuma Publishing for information about their formatting services.

b. Strict publication deadline: Dissertation formatting must be approved by Montezuma Publishing and the **$45 processing fee** must be paid before 3:45 PM on this day, or the degree cannot be issued until the following semester. **This is a strict deadline.** The processing fee covers ProQuest submission, electronic files, and SDSU Library abstract. Dissertation publication is a degree requirement and the dissertation is not “published” until final payment is made.

c. Avoid reenrollment in 899 deadline: Dissertations submitted by this day before 3:45PM will not require 899 registration in the following semester, even though the degree cannot be issued until the following semester. **This is a strict deadline.**
