Graduate Student Travel Fund - Summer 2024

***PLEASE READ THIS APPLICATION CAREFULLY as the general information, criteria, restrictions, and more have changed effective this summer 2024 cycle.***

- The Graduate Student Travel Fund (GSTF) supports travel associated with SDSU graduate students’ scholarly research and creative activities (RSSCA). It is funded by Associated Students and managed by the College of Graduate Studies (CGS).
- Approximately $30,000 is available annually to support graduate student travel during three cycles: fall (travel dates September 1 - December 31), spring (travel dates January 1 - June 30), and summer (travel dates July 1 - August 31). The maximum award is $1,000 and must be used within each cycle’s designated travel months.
- The GSTF summer 2024 cycle opens July 1, 2024 with applications accepted through August 2, 2024. The travel dates for this cycle are July 1 - August 31, 2024.
- It is your responsibility to complete the submission of your application before the deadline. No additional documents will be accepted after you have submitted your application.
- If awarded, the funds act as a reimbursement for travel expenses (as opposed to an advance)

and it is the student’s responsibility to ensure that all travel paperwork is on file with their home department and other campus partners, if necessary.

Given that CGS receives a set amount of funding from Associated Students for this award program, the competitive review process results in many qualified applicants not being selected for funding.

Eligibility Requirements:

- Be a degree-seeking SDSU graduate student, enrolled in units at SDSU at the time of application.
- Have been invited to present at a conference (e.g., poster paper, oral presentation), or is traveling to gather research towards the culminating experience (e.g., thesis, dissertation, project).
- Have a cumulative grade point average of at least 3.0.
- Be in compliance with the Student Code of Conduct and/or their program’s Graduate Professional Standards (see below).

Restrictions:

If any of the below restrictions apply to you, your application will NOT be considered:

- Submit the application after the deadline of August 2, 2024 at 11:59 p.m. Pacific Time.
- Your travel dates are outside the designated travel dates for the current application cycle (see above).
- Have been awarded the GSTF scholarship in the past year (summer 2023, fall 2023, or spring 2024 cycles).

Criteria for Review:

1. Evidence of academic merit (GPA).
2. How relevant the travel is to a student's research/scholarship in their designated major field of study.
3. Contribution to completion of the student's culminating experience (e.g., thesis, dissertation, or project).

You can find a pdf of this application and scoring rubric on our [website](https://example.com).

Review Process:

Applications that meet the eligibility criteria and that do not contain any of the restrictions are reviewed and scored in accordance with the GSTF rubric. An advisory committee then meets with the Graduate Dean to review the top-scored applications and determine each cycle’s awardees.

Important Reminders:

The Center for Student Rights and Responsibilities and the student’s home college will be consulted to ensure that potential awardees are in compliance with the [Student Code of Conduct](https://example.com) and/or their program’s Graduate Professional Standards.

- **Award nominees**: A potential awardee is subject to being deemed ineligible for an award if (a) it is determined by CSR that the student is in violation of the Student Code of Conduct and/or (b) if the program notifies the College of Graduate Studies that the student has violated their program’s Graduate Professional Standards.
- **Current awardees**: A current student awardee is subject to having their fellowship or scholarship rescinded if (a) it is determined by CSR that the student is in violation of the Student Code of Conduct and/or (b) if the program notifies the College of Graduate Studies that the student has violated their program’s Graduate Professional Standards.

If awarded, a student should submit a post-award report upon completion of the activity supported by the GSTF. This post-award report should summarize the student’s accomplishments. If appropriate, photos taken during the activity with a description of how the activity contributed to the advancement of the research or scholarship in the student’s field of study may be profiled on the College of Graduate Studies webpage.

We plan to announce award decisions the end of August 2024. If awarded, funds should be dispersed into student accounts by the end of September 2024.
Please keep in mind that it can take several weeks for award funds to appear in my SDSU. Feedback will not be given to applicants after decisions are announced.
