Master's Research Scholarship 2023-2024

The Master's Research Scholarship (MRS) opens February 10th with applications accepted through March 31st, 2023.

- The Master's Research Scholarship directs institutional funding to support recruitment, retention, and timely degree completion for excellent master's students engaged in scholarship advancing the university's goals for research and creative activity.
- The MRS provides students with a one-year $10,000 scholarship that is disbursed in two installments, split between the start of the fall and spring semesters. Note that the full amount of the award is dependent on other financial aid that the student may have. Distribution of funds is contingent on active enrollment in the program.
- The proposed mentor-student research must be completed during the award period. If a student decides to not engage in the proposed research, the MRS funds will be reclaimed.

This nomination form is to be used by graduate program advisors or doctoral directors only. Nominations submitted by anyone other than the current advisor/director will not be considered. If you are an advisor/director and you are not on the CGS list please contact grad.scholarships@sdsu.edu

Deans are responsible for a preliminary review of nominations from their College. Following this round, no more than 20 finalist nominations from each College will be submitted to the Graduate Dean. A faculty advisory committee will advise the Graduate Dean in selecting among finalists for awards.

The deadline to submit MRS nominations is March 31st. You can find the application and scoring rubric on our website. Awards will be announced April 21st.
