

Master's Research Scholarship 2024-2025

The Master's Research Scholarship (MRS) opens February 1, 2024 with applications accepted through March 31, 2024.

- The [Master's Research Scholarship](#) directs institutional funding to support recruitment, retention, and timely degree completion for excellent master's students engaged in scholarship advancing the university's goals for research and creative activities.
- The MRS provides students with a one-year \$10,000 scholarship that is disbursed in two installments, split between the start of the fall and spring semesters. **Note** that the full amount of the award is dependent on other financial aid that the student may have. Distribution of funds is contingent on active enrollment in the program during both semesters.
- The proposed mentor-student research must be completed during the award period. If a student decides to not engage in the proposed research, the MRS funds will be reclaimed.

This nomination form is to be used by [graduate program advisors or doctoral directors](#) **only**. Nominations submitted by anyone other than the current advisor/director will not be considered. If you are an advisor/director and you are not on the CGS list please contact grad.scholarships@sdsu.edu.

Deans are responsible for a preliminary review of nominations from their College. Following this round, no more than 20 finalist nominations from each College will be submitted to the Graduate Dean. An advisory committee will consult with the Graduate Dean in selecting among finalists for awards.

The deadline to submit MRS nominations is March 31, 2024. You can find the application and scoring rubric on our [website](#). Awards will be announced April 24, 2024.
