

# Master's Research Scholarship 2026-2027

**Nominations for the Master's Research Scholarship (MRS) will be accepted from February 1, 2026 through March 31, 2026.**

- The [Master's Research Scholarship](#) directs institutional funding to support recruitment, retention, and timely degree completion for excellent master's students engaged in scholarship advancing the university's goals for research and creative activities (RSCA).
- The MRS provides students with a one-year \$10,000 scholarship that is disbursed through the Office of Financial Aid & Scholarships, with funds deposited directly into students' my.SDSU accounts at the start of the fall and spring semesters.
- **Note** that the full amount of the award is dependent on other financial aid that the student may have. Students must maintain active matriculated status in a state-side degree program (must be paying for Mandatory Fees) in both semesters to remain eligible for awards.
- The MRS does **not** come with waivers for tuition and/or fees and the scholarship does **not** provide health or other benefits.
- The proposed mentor-student research must be completed during the award period. If a student decides to not engage in the proposed research, the MRS funds will be reclaimed.
